Please choose which term or terms of study you want to apply for. Remember that you won't be able to change it.

Since you are applying for Erasmus+ programme, we ask about your ESI (European Student Identifier). This is a global identifier assigned to the student by their home university. It usually consists of some constant prefix (urn:schac:personalUniqueCode:int:esi:) followed by a domain name of the home university (e.g. uw.edu.pl) and unique identifier of a student within the home university (e.g. 123456). Thus, your ESI is probably similar to: urn:schac:personalUniqueCode:int:esi:uw.edu.pl:123456. More information: <https://wiki.geant.org/display/SM/European+Student+Identifier>. If you are unsure about your ESI, please enter your student id number or leave the field empty.
